

Privacy and Cookies

This privacy policy sets out how Henry Alty Limited uses and protects any information that you give to Henry Alty Limited when you access and use our website.

We are committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified when using this website, then you can be assured that it will only be used in accordance with this privacy statement.

We may use information provided to improve our products and services and may periodically send promotional emails about new products or special offers which we feel may be of interest to you. You can unsubscribe from this service at any time.

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic and managerial procedures to safeguard and secure any and all information gathered.

Links to other websites

Our website contains several links to other websites. However, once you have used these links to leave our site, you should note that we do not have any control over any other website therefore we cannot be responsible for the protection and privacy of any information which you provide whilst visiting any other website.

Your information

You may request details of any or all personal information which we hold about you at any time under the Data Protection Act. If you believe that any information we are holding on you is incorrect or incomplete, or indeed you would like us to erase any or all of your personal details from our system, please feel free to contact us at any time.

Cookies & how we use them

We may use cookies to help enhance your website experience at Henry Alty Limited. A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you agree the file is added and the cookie helps analyse web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual and allows the web application to personalise itself to your specification by gathering and remembering information about your preferences.

What cookies do

Overall, cookies help us provide you with a better website, by enabling us to monitor which pages you find useful and which you do not. A cookie in no way gives us access to your computer or any information about you, other than the data you choose to share with us.

Choose or accept cookies

You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer although this may prevent you from taking full advantage of this or any other website.

Google Analytics

If Google Analytics is employed to track the performance of our website, we do not link any statistics collected by Google Analytics to personally identifiable information. The website performance data we work with is statistical, not personal.
